

NOVELIST

Novelist is an EBSCO database that gives advice & guidance when making book selections for fiction books. If you have read a book that you like, search for that title, then click on the right side and view additional books which may appeal to you!

JERSEYCAT

JerseyCAT is NJ's FREE statewide Catalog & Interlibrary Loan System. Access JerseyCAT from anywhere by clicking on the pink box on the DMS media center homepage. Find your book, then click "Request This Item" and fill out the form. Then press "Submit". Books usually arrive within 2 weeks' time!

CURRENT EVENTS

The **News to Use** page on the DMS media center website offers various websites, online magazines, and digital newspaper articles for middle school students.

ACCESSIT

Accessit is our library catalog, and serves at the homepage for the DMS library website. Login at the top right-hand corner using Google SSO. Search for all of our print and digital books at the top of the page. Narrow your search on the left side. Conduct AR searches by searching either the Search or Visual Search buttons. Drag book covers to either hold books that are not in or to create your own reading lists. Other helpful resources to access are below on the library website.

MACKINVIA

MackinVIA holds our audiobooks and eBooks. It's a fun and easy way to search directly for digital books on this platform. MackinVIA is also integrated with **Accessit**, so books can be found there too. Login using Google SSO or, if a box appears, type **Delsea** and select the middle school, or type in your school email, depending on which box pops up.

BEANSTACK

READING CHALLENGES

Every 1-2 months, the DMS library holds a Reading Challenge with a different theme. By participating, you can earn virtual badges as you log minutes and complete fun activities! Reading loggers will be placed in a drawing to win weekly prizes. Check your email and the announcement slides to see if you are a winner!
