## JerseyCat

### What is JerseyCat?

JerseyCat is New Jersey's statewide Catalog and Interlibrary Loan System. Access JerseyCat from home or school by clicking on the link found on the DMS Media Center's Find a Book page.

### Directions:

1. Click on the JerseyCAT link & type title or author's name in the box.
2. Click on "Book" under the correct image/title/author.
3. Click "Request This Item" button. When you submit a request online, your book will be sent from a participating library directly to DMS through the state-wide interlibrary loan delivery service.
4. Use the gray bar to scroll down to the bottom of the box and fill out the info in red. Use your lunch # as your password.
5. Then press the 'submit request' button so that your request goes through the system.

*Choose from millions of books by using JerseyCat!*

### Current Event Resources

News to Use' page on DMS media center website for websites & online magazine and newspaper articles are available!
